Le système Terre-Lune-Soleil

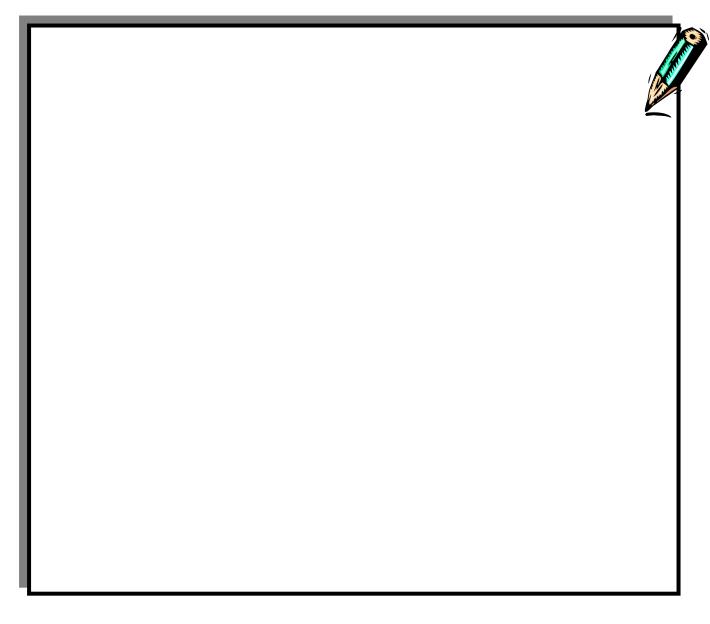

Prénom	:	
•		

Dessine ce que tu vois dans le ciel.

Le jour

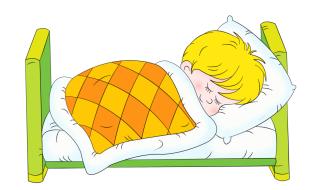

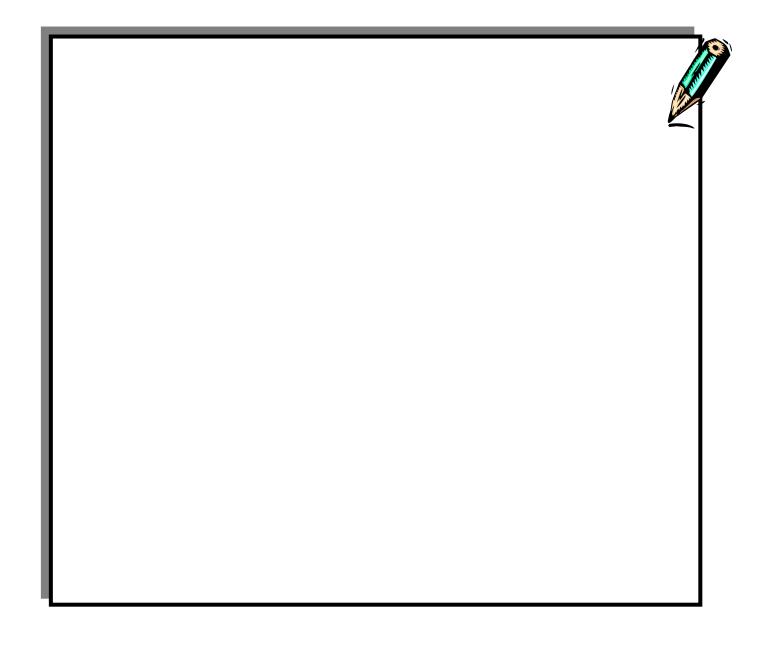

Dessine ce que tu vois dans le ciel.

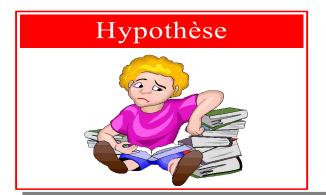

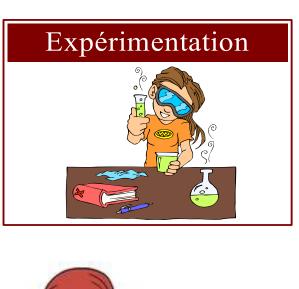

Comment représenter la Terre, le soleil et la lune?

Je pense...

Écris la première lettre du mot correspondant à l'objet utilisé.

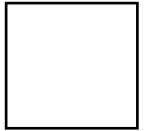

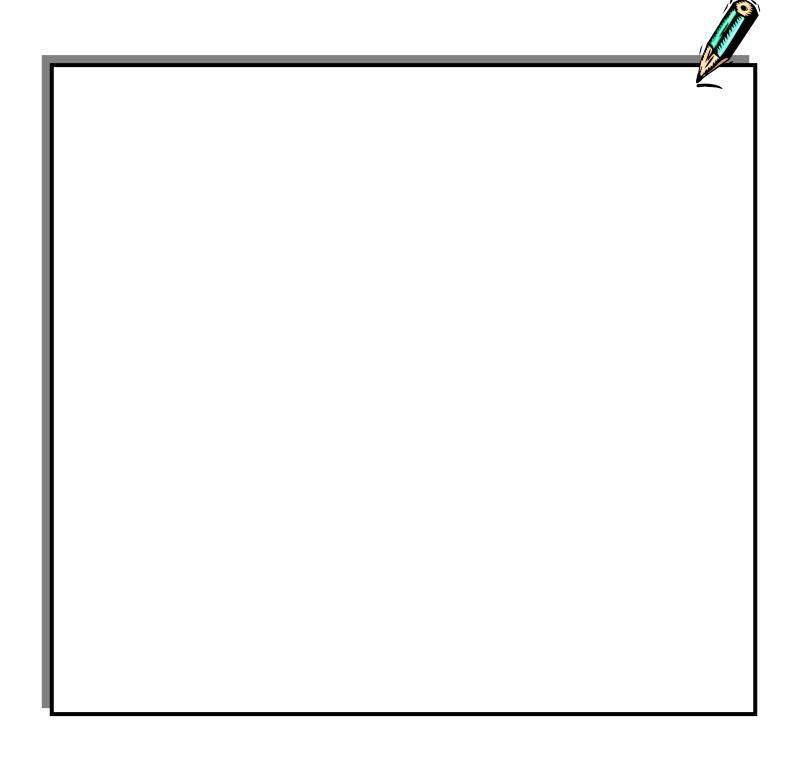

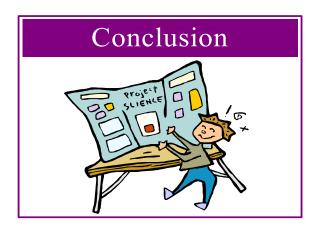

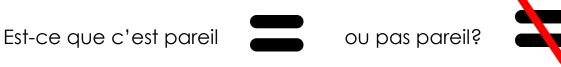

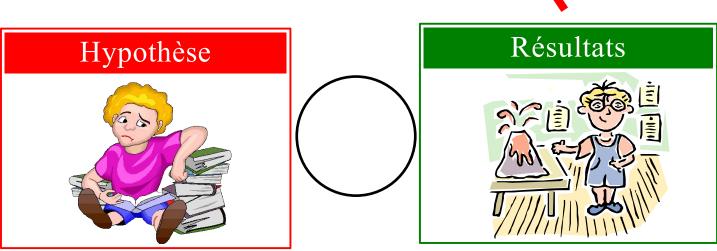

Dessine ce que vous avez découvert.

Regarde ton hypothèse et tes résultats.

Explique ce qui est différent.

Parle de tes nouveaux apprentissages.
